PETROL AIR COMPRESSOR TRADITIONAL

Traditional style compressors are the work horse compressor. Their large air storage tank means that a work area can be blown down with the stored air without the need to start the compressor. Petrol operated.

Options:

- 350lpm / 100psi
- 420lpm / 100psi
- 540lpm / 150psi

Features & Benefits:

- Provides power to simultaneous air tool usage
- Petrol air compressors are considerably more affordable
- Flexibility to control power output and fuel usage - this compressor can be calibrated to match your requirements resulting in lower fuel consumption

Details:

✓ Compatibility	Ute, Trailer, Truck
✓ Warranty	12 Month manufacturers warranty
