## **PETROL AIR COMPRESSOR TRADITIONAL**

Traditional style compressors are the work horse compressor. Their large air storage tank means that a work area can be blown down with the stored air without the need to start the compressor. Petrol operated.

### **Options:**

- 350lpm / 100psi
- 420lpm / 100psi
- 540lpm / 150psi

### **Features & Benefits:**

- Provides power to simultaneous air tool usage
- Petrol air compressors are considerably more affordable
- Flexibility to control power output and fuel usage - this compressor can be calibrated to match your requirements resulting in lower fuel consumption

### **Details:**

- |                 |                                 |
|-----------------|---------------------------------|
| ✔ Compatibility | Ute, Trailer, Truck             |
| ✔ Warranty      | 12 Month manufacturers warranty |
