DIESEL AIR COMPRESSOR UPRIGHT UNDER/OVER

Upright over/under style compressors are the perfect high performing compressor when space is limited. Specifically designed with the mobile workspace in mind, they are great for positioning on the front tray area or the aisle of a service body. Diesel operated.

Options:

- 350lpm / 100psi
- 545lpm / 150psi
- 720lpm / 150psi

Features & Benefits:

- Provides highest level of output compared to electric and petrol compressors
- Provides high torque and capacity for wide range of simultaneous air tool connections
- Supports the connection of the fuel intake to the vehicle fuel tank illuminating the need to fill the compressor tank directly (which is why most utes and trucks are diesel)
- Minesite compliant

Details:

✓ Compatibility	Ute, Trailer, Truck
✓ Warranty	12 Month manufacturers warranty
