PETROL AIR COMPRESSOR UPRIGHT UNDER/OVER

Upright over/under style compressors are the perfect high performing compressor when space is limited. Specifically designed with the mobile workspace in mind, they are great for positioning on the front tray area or the aisle of a service body. Petrol operated.

Options:

- 350lpm / 100psi
- 545lpm / 150psi

Features & Benefits:

- Provides power to simultaneous air tool usage
- Petrol is most cost effective types of air compressors (more affordable than the diesel equivalent)
- Flexibility to control power output and fuel usage - this compressor can be calibrated to match your requirements resulting in lower fuel consumption

Details:

✓ Compatibility	Ute, Trailer, Truck
🛡 Warranty	12 Month manufacturers warranty
