ARB SUMMIT / DELUXE STEEL BULLBAR

Protect vehicle and engine components with this winch compatible commercial steel bullbar.

Features & Benefits:

- The ARB Summit and Deluxe range of Steel Bullbars integrates a fresh and contemporary design with unrivalled safety and reliability
- Durable and Heavy Duty Steel Construction with a 60.3mm tube finished in a matte black powder coat and corrosion-resistant primer
- Extensive under protection panels on the centre and either sides with three piece grille design for split pan, providing maximum airflow and strength
- Provision for mounting a range of additional accessories, such as winches, spotlights, fog lights, front parking sensors, aerials or antennas
- Compatible with Twin ARB Jack or Hi-Lift Jack with two jacking points located either side of the bar in the lower panel
- Only select options available for supply and installation by Hidrive — contact our team on 1300 368 161 to discuss the best option for you
