LONG RANGE FUEL TANK, VEHICLE SPECIFIC

Lightweight cross linked polymer construction provides additional fuel storage for long range vehicle operation.

Features & Benefits:

- ARB Frontier Long Range Fuel Tanks offer a reliable solution for increased fuel capacity of your light commercial vehicle - the long range tank replaces the OEM tank that comes with the vehicle
- Manufactured from resilient cross linked polymer plastic creates a product with exceptional strength and impact resistance - wall thickness 7-9mm
- Robust and smart design provides a improved light weight long range tank option in comparison to steel tank alternatives
- Non-rigid mounting system - rubber coated steel mounting straps keep the tank secure and allow for a quick and easy installation
