ACCESS LADDER

Foldable, rear-mounted roof access ladder.

Features & Benefits:

- Hidrive Rear Mount Access Ladder is a fold down step option that can be fitted to the rear of any ute service body with 2 doors (no rear door) or a rear ledge (150mm of tray) providing access to service body roof storage space
- Available in one height option, 875mm, designed to suit all ute service body heights (850, 900, 1000) whilst maintaining visibility of rear high mount brake light when mounted rear centre
- Even and safe step tread spacing of approx. 260mm
- Bottom run will be approximately 500mm off the ground - dependent of your vehicle and after market suspension etc
- One-hand operation unlocking and simple slam latch lock with spring bolt with stainless steel sticker for smooth locking
- Integrated grab handles - handle cut-outs and integrated round tube to provide better grip enables three points of contact while using the access ladder
- Tread teeth cut into all steps for improved grip
- Rigid steel construction and powder-coated finish to ensure long term durability

Details:

✓ Compatibility	Ute, Trailer
✓ Warranty	12 Months
