

DOMETIC DRAWER FRIDGE, 30L

Compact drawer fridge with adjustable temperature from -2 deg to +12 deg.

Features & Benefits:

- Dometic Drawer Fridges offer convenient access with an easy-pull drawer on roller bearing slides - no fridge slide required
- Compact design allows for refrigeration to be easily included in your service body fitout
- Compressor comes mounted to the rear of the fridge but can be relocated to the side of the unit
- 100AH dual battery / 3.4 amp draw means your battery will run the fridge for approx 38 hours without charging or running your battery system flat
- Temperature control with continuously variable thermostat improves efficiency
- Dual battery (or solar panel) is required to run fridge
- User friendly unlocking and opening with single movement - one hand operation
- Cools at temperature range -2 to +12 degrees celsius

Details:
