SOLAR BLANKET

A lightweight, compact solution that compliments your vehicle's existing solar charging system. An efficient, hard-wearing alternative to glass solar panels.

Requires a solar-compatible dual battery (available separately).

Options:

- 150W

Features & Benefits:

- Ultimate portable solar power solution, extremely compact, flexible design, allows convenient setup on vehicle bonnet or similar
- Can be folded up for convenient storage when not in use
- Quick set-up and no permanent fixtures required on the vehicle — all you need is a solar compatible dual battery charger
- Hidrive offer a range of solar power solutions with a selection of service body compatible, fixed and portable panels
- Suits utes, trailers and trucks

Details:

☑ Compatibility	Ute, Trailer, Truck
☐ Warranty	12 Month manufacturers warranty
