MAXILIFT CRANES

Maxilift is a lightweight and powerful hydraulic crane option for utes.

The innovative Maxilift load limiting cell allows the crane to safely operate while granting a maximum working radius. This ensures the stability control system is safe and simple to monitor.

Hidrive ute service bodies are compatible with ML50 and ML110 Maxilift cranes. These compact cranes are a great addition to your ute service body setup.

Options:

- Model M50.2
- Model ML110.1

Features & Benefits:

- Portable, flexible and easy to mount on your ute
- Lightweight and easy to operate
- Durable and corrosion-resistant for years of reliable service
- Compact, ergonomic and versatile control console that can be operated by one person
- Safely load and unload materials up to one tonne (depending on model chosen)
- Excellent power to weight ratio for a safer, more precise lifting capability
