SERVICE BODY ACCESSORIES

Accessories to fitout your service body to get the job done right.

MADE HERE, FOR CERTAIN

JUMPSTART RECEPTACLE (TRUCK)

Ideal for use on applications where access to battery terminals is restricted on the worksite or in remote locations.

Options:

- Dual battery, 12V
- Dual battery, 12V + 24V
- Crank battery

Features & Benefits:

- A Jumpstart Receptacle is essentially an Anderson Plug connected to either the Vehicle Crank Battery or an Auxiliary Dual Battery, allowing other vehicles or equipment to be easily and safely jump started
- The receptacle eliminates the need for connecting jumper leads to your battery, you simply plug in leads and connect to the vehicle or equipment you are jump starting
- The receptacle is ideally mounted as close as possible to the battery (crank battery or dual battery), generally external to the canopy to allow easy access

Details:

⊘ Compatibility		Truck
♡ Warranty		12 Month manufacturers warranty
