REDARC TOWPRO TRAILER BRAKE CONTROLLER

Redarc Towpro electric brake controller with proportional and user controlled modes.

Features & Benefits:

- REDARC's range of electric brake controllers provide ultimate safety when towing
- Smoother trailer braking response suitable for 12V or 24V vehicle systems
- When you're towing the weight of a 2.5 tonne vehicle behind you on an open highway, it's important to ensure the safety of yourself and others with an effective and controlled braking system in place
- Select from our wide range of braking systems including our REDARC Tow-Pro range, User-Controlled systems, and Break-Safe Break-Away systems, as well as, Tow-Pro Wiring Kits and Switch Inserts
