## **BUSHRANGER RECOVERY WINCH**

If you're looking for a premium, Australian designed winch to ensure you can get out of any off-road pickle, look no further than our range of Bushranger winches.

The **COVERT** is a new product in the Bushranger line-up and comes equipped with an ultra-efficient all-in-one motor control unit paired with a finely tuned 5.3hp 12-volt motor. This is the first Australian-designed 4X4 winch without an externally mounted control box. Instead, the control box is built into the motor housing. This makes it lighter and moves the control box out of the way of any front radars.

The **Bushranger REVO MKII** winch is an upgrade to the proven REVO winch and is engineered to meet the demands of serious off-road enthusiasts who require dependable performance in the most challenging environments.

Both models offer a synthetic or wire rope option and are compatible with ARB bullbars (also available from Hidrive, sold separately).

Speak to our team for advice on whether a synthetic or wire rope option is a more suitable solution for you.

### **Options:**

- COVERT 10,000lb synthetic rope winch
- COVERT 10,000lb wire rope winch
- Bushranger REVO MKII synthetic rope winch
- Bushranger REVO MKII wire winch

### **Features & Benefits:**

- Strength and rigidity with a tough aluminium alloy body, finished with a durable satin black powder coat
- Built-in motor control unit with tuned 12V

- motor and 4-stage gearbox
- Both winches come with an isolator switch mounted in the engine bay
- Zero drag braking system provides 100% load holding and fast-powered unspooling, under no load, without any damage to the winch
- Compatible with ARB bullbars (sold separately, speak to our team)
- Dual connection hand-held remote with 30m wireless range or 5m lead
- The premium design eliminates the need for a conventional control box
- Unobtrusive fitment that doesn't interfere with airflow to cooling systems or with vehicle sensors

**Details:**

- ✔ Compatibility      Ute, Truck
- ✔ Warranty            12 Month manufacturers warranty
