

TRADES RACK

CATEGORY ROOF ACCESSORIES

hidrive

HIDRIVE FACT SHEET 6001

- ✓ Hidrive Trades Rack is a **single unit roof storage system** featuring full length side load support and up to 7 cross bars on larger racks.
- ✓ Designed to suit the **Hidrive Full Canopy service body range**, although is compatible with 1650mm or longer Part Canopy options.
- ✓ Maximising roof storage carrying capacity with the option to **extend the Trades Rack longer than the service body** - assists with supporting longer equipment or material.
- ✓ **Full length side restraint rails** assist with ensuring your load is properly secured and provides multiple tie off points.
- ✓ Secures to **Hidrive integrated accessory fixing roof strut** via M8 strut nut without penetrating the roof, meaning it can be removed from the service body if required.
- ✓ Includes 45mm mounting brackets
- ✓ **Safe and reliable storage option** compatible with a large range of Hidrive Roof Accessories.
- ✓ Top insert rubber to prevent straching equipment or material.
- ✓ **Double strut bar** accomodates Hidrive Roof Accessories and is ideal for mounting beacons, external work lights and ladder support brackets.

DISPLAYED EXAMPLES

1. Dual Cab Vehicle - 1800L Full Canopy, 1800L Tradesrack
2. Space Cab Vehicle - 2100L Full Canopy, 2800L Tradesrack
3. Single Cab Vehicle - 2400L Full Canopy, 3200L Traderack
