

COMMERCIAL ROOF BAR KITS

CATEGORY ROOF ACCESSORIES

HIDRIVE FACT SHEET 6002

1 STANDARD COMMERCIAL ROOF BAR KIT

- ✓ Standard Commercial Roof Bar Kits are a combination of **3-4 commercial roof bars of equal width** fitted evenly spaced over the roof area
- ✓ Suit Hidrive **Full Canopy or Part Canopy** Service Bodies
- ✓ Safe and reliable storage option compatible with large range of Hidrive Roof Accessories - optimum use of storage space
- ✓ **Secures to Hidrive integrated accessory fixing roof strut** via M8 strut nut and can be repositioned along the roof or removed if required.
- ✓ Includes **45mm mounting brackets**, 2 per roof bar
- ✓ Top side insert rubber to prevent scratching equipment
- ✓ End plates with tie down loops for secure storage
- ✓ Double strut bar accommodates Hidrive roof accessories and is ideal for mounting beacons and external work lights

2 TOOL MODULE ROOF BAR KIT

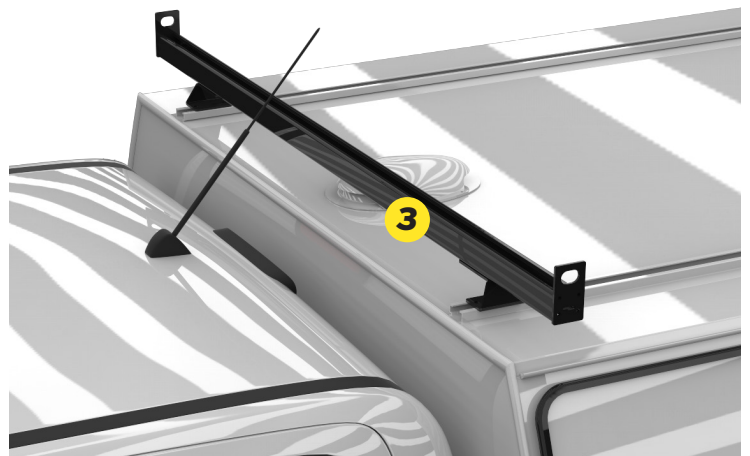

- ✓ Tool Module Commercial Roof Bar Kits are a combination of 1 long roof bar, 1650-1900mm and 4 shorter bars, 570mm, **5 bars in total**. Long roof bar spans the roof across front of body and shorter bars are evenly spaced along module section, 2 per side.
- ✓ Suit Hidrive **Tool Module** Service Bodies
- ✓ Safe and reliable storage option compatible with large range of Hidrive Roof Accessories - optimum use of storage space
- ✓ Secures to Tool Module Roof as fixed point, can not be repositioned or removed after initial installation
- ✓ Includes **45mm mounting brackets**, 2 per roof bar
- ✓ Top side insert rubber to prevent scratching equipment
- ✓ End plates with tie down loops for secure storage
- ✓ Double strut bar accommodates Hidrive roof accessories and is ideal for mounting beacons and external work lights
- ✓ Full width bars can be installed to span the aisle section although this will limit access to centre storage space

COMMERCIAL ROOF BAR SINGLES

CATEGORY ROOF ACCESSORIES

- ✓ **Standard Commercial Roof Bars** can be installed individually to accommodate external lights and safety accessories or combined together to create Roof Bar Kit
- ✓ Suit all Hidrive Service Body options for both Utes and Trucks
- ✓ Create a Safe and reliable storage option compatible with large range of Hidrive Roof Accessories - optimum use of storage space
- ✓ **Secures to Hidrive integrated accessory fixing roof strut** via M8 strut nut and can be repositioned along the roof or removed if required.
- ✓ Includes **45mm mounting brackets**, 2 per roof bar
- ✓ Top side insert rubber to prevent scratching equipment
- ✓ End plates with tie down loops for secure storage
- ✓ Double strut bar accommodates Hidrive roof accessories and is ideal for mounting beacons and external work lights
